To whom it may concern:

On behalf of all the staff of Grove Dental Associates, we are here to serve you! We have been "promoting health and wellness in a peaceful environment" for 50 years. Thus, it is our goal to be good stewards of our staff, patients, environment, and profession by continuing excellent and safe dental care that you have come to expect from us every day.

At the recommendations of the ADA (American Dental Association), ODA (Oklahoma Dental Association), and the CDC (Centers for Disease Control), starting Friday, March 20, 2020, our office will be offering emergency care only and postponing all "routine" appointments with the intent of resuming full care and practice April 6th, 2020.

If you have any type of emergency, dental condition, or pain that needs immediate attention, please know that we will be happy to set up an appointment with you at our office! Our staff will be present and available by phone (918.786.5533) during our normal hours to assist you with any questions, concerns, or to schedule appointments.

In the meantime, it is our sincerest hope that you, your family, and loved ones stay safe and healthy and appreciate the opportunity for time together! We love and value our community and thank you for your patience during these extraordinary and unprecedented times!
